BluWater Consulting Named Fastest Growing Private Company in Washington State by Puget Sound Business Journal

First on the list, BluWater has largest revenue growth out of 100 companies

KIRKLAND, Wash. – October 25, 2006– BluWater Consulting, a leading IT consulting and staffing firm, today announced its selection as the fastest growing private company in Washington State for 2006 by the Puget Sound Business Journal. Named first on the list, BluWater Consulting's designation is based on revenue growth figures over the past three years.

BluWater delivers technical solutions that improve business processes for companies of any size or industry throughout the United States. BluWater is dedicated to delivering the best in IT Consulting, Project Staffing and Outsourcing to produce measurable results and ongoing business value for their customers.

Companies nominated to the Top 100 list are selected on the basis of net operating revenue growth for the past three years as verified by the Puget Sound Business Journal and Grant Thornton accounting firm.

BluWater Consulting was honored and recognized for its accomplishments at an evening reception on October 19, 2006 where the company's ranking was revealed.

"We are excited to be recognized as the fastest growing company in Washington State," said Scott Davis, CEO of BluWater. "This honor is further confirmation that we are meeting our customer's needs and delivering world class service to them."
